

Power Lix 21

**All natural protein supplement
formulated for beef cattle**

HLS™ Power-Lix 21 is designed as a supplement for beef cattle on pasture or medium to low quality hay. It is fortified with all the nutrients needed to supplement all types of forages. Due to the fact that it is an all-natural protein product, it is okay to run horses in the pasture with cows. All you need to supplement cattle is

HLS™, salt and pasture or hay.

HLS™
POWER-LIX
LIVESTOCK SUPPLEMENTS

*Provide access to fresh water and free choice salt at all times.

Advantages of Power Lix 21

- ★ No waste.
- ★ Economical to feed at .5 to .75 pound per head per day
- ★ Fortified with yeast culture
- ★ Licking increases saliva, a natural rumen buffer, so rumen pH is optimum
- ★ Efficiency of the digestive system is increased, so cattle will more completely digest what they consume
- ★ Lower hay costs because animals will consume less
- ★ Fewer health problems because an efficient digestive system ensures an efficient immune system
- ★ Consistent product quality due to the continuous flow process
- ★ **HLS™** products and ingredients are not changed each time a product is made

**CAUTION: DO NOT FEED TO SHEEP
OR GOATS. FEED ONLY AS DIRECTED.**
