

Forage Extender 20

All natural protein

HLS™ Forage Extender 20 is designed for Cattle, Sheep and Goats running on pasture or hay where additional protein is needed. A combination of these animals may be pastured together without a problem of nutrient toxicity.

HLS™ Forage Extender 20 is formulated for all types of livestock grazing separately or together on pasture or harvested forages. It is fortified with vitamins and minerals, along with a high-energy content. **HLS™** Forage Extender 20 will help livestock perform to their genetic potential at a very economical cost.

Why should Forage Extender 20 be in your supplement program?

- ★ Extremely palatable
- ★ No waste means more nutrients in your animals and less \$\$\$ out of your pocket
- ★ Vitamin and Mineral fortified
- ★ Labor saving
- ★ Increased forage utilization
- ★ Consumption control
- ★ Weather Resistant
- ★ Multi Species product

*Provide access to fresh water and free choice salt at all times
